2024-2025 Financial Info

At Mile High Academy, we're committed to ensuring that every student with a desire to attend MHA can do so without financial constraints. We offer comprehensive financial support through scholarships, church assistance, private donors, work programs, and our partnership with Southern University, because we believe that your financial situation should never be a barrier to your education at MHA.

There's lots to digest when considering and registering for a new school. Finances usually end up near the top of the list. If you have any questions about finances, please don't hesitate to reach out to our VP of Finance, Jocelyn Aalborg, at jaalborg@milehighacademy.org.
