

Mile High Academy Columbine 2017

Senior Information

Mile High Academy's Yearbook features a page in the yearbook for each senior. Their senior page will include several elements in addition to a professional senior portrait. Please take time to review the items needed for each senior, and note the deadlines. Keep in mind that of the elements must reflect the standards of Mile High Academy as a Seventh-day Adventist school.

IMPORTANT DEADLINES

Please submit each item to your class sponsor as soon as it is ready. It will help the yearbook staff get started on the senior pages. The yearbook staff strives to make each senior page special. Submitting items after the deadlines does not allow time to assemble the page and follow up on missing pieces, and they may be left blank. Please communicate if you have complications meeting a deadline, and the yearbook staff will do what they can to work with you.

SENIOR PORTRAITS

Summer is a great time to make plans for your professional senior portraits. Please be sure to have your preferred senior portrait submitted by October 20, 2016. The yearbook staff reserves the right to refuse your photograph if it is inappropriate, so please make good choices and use good judgment with your submissions. If senior portraits are not received by the deadline, and other arrangements have not been made with the yearbook staff, the school may use the school portrait taken at the beginning of the school year.

Please read the photographer's specifications, along with rules for clothing and acceptable poses in the "Important Senior Yearbook Information" available from the office. Photographers often submit all photos on one disk. If submitting a photographer's CD, please note the exact photo to be used. If portraits are taken near the deadline, talk to your photographer about rushing the processing of the photo you will use for yearbook, and giving you the remaining photos later. Be sure the photos are submitted as high quality digital images.

SENIOR QUOTES AND SCRIPTURE

Seniors will submit a favorite quote and scripture verse. Quotes need to include the source, and using initials only for your source is not acceptable. Scripture verses need to note the Bible version. Your quote and scripture verse may be edited for length or content if needed.

SENIOR BABY PHOTOS and CANDIDS

Each senior is asked to submit five baby or toddler photos. Optionally, you may also share two current candid photos of the senior, maybe showing them enjoying a favorite vacation, performing with an instrument, or playing a favorite sport. Please note, the yearbook staff may not be able to use every photo submitted. If not, they will be shared with the class for possible use at graduation programs.

Photos need to be converted to high quality digital images. If you only have a print photograph, it can be easily scanned with most printers to digital format, or scanned for a small fee at most stores with a photo processing center, such as Walmart, Target, Walgreens, etc.

PARENT TRIBUTE

Senior parents are invited to write a tribute for their senior, which will be printed in the yearbook. Due to space limitations, tributes need to be 150 words or less. Tributes at about 100 words will fit best on the page.

SENIOR RECOGNITION ADS

Senior recognition ads may be purchased until January 10, 2017. The yearbook is offering ads at a discounted price for senior families. This is an opportunity for families to congratulate their graduate, write a message if desired, and share additional photos. You could include messages from relatives too.

The first step is to choose the size of your ad. Then the yearbook staff can help you understand what you need to design your own ad, or help you put the ad together. Keep in mind there are limited yearbook ad pages, and reserving ad space early is recommended.

Full page \$160 Half page \$80 Quarter page \$50 Eighth page \$25

SUGGESTED PHOTOGRAPHERS

In case you are searching for a photographer to do your senior portraits, here are some local photographers other MHA graduating families have recommended. You are free to select the photographer of your choice. We suggest looking at samples of their work, and comparing pricing packages to help decide. Be sure to share the school’s photographer specifications to be sure you get portraits that will work with our requirements.
