

At Mile High Academy, we are dedicated to ensuring that every student with the desire to attend can do so without financial constraints. We offer comprehensive financial support through MHA financial aid, ACE scholarships, church assistance, private donors, work programs, and our partnership with Southern University. We firmly believe that your financial situation should never stand in the way of your education at MHA.

There's lots to digest when considering and registering for a new school. Finances usually end up near the top of the list. We are here to help. Scan the QR code below or email Mindy Philpott at mphilpott@milehighacademy.org.

Families receive monthly statements via FACTS and are required to set up auto-pay for tuition and incidental charges.
